SUBJECT: Authorisation for Release of Information

Under the Privacy Act, information about your results cannot be disclosed to a third party without your permission.

In order that information about grades be conveyed to the Institute of Actuaries of Australia for purposes of exemption, your authorisation, as follows, is needed. For the avoidance of any possible problems resulting from our practice of publishing merit lists, we also seek your authorisation for that purpose.

- 1. I authorise the Head (or Deputy Head) of the Department of Actuarial Studies to pass on to the Institute of Actuaries of Australia, my personal details and grades in the relevant Macquarie University units of my Actuarial Studies program for the purposes of exemption from the professional examinations.*
- 2. Should my performance in any Actuarial Studies unit merit it, I authorise the Department of Actuarial Studies to publish my name in its Merit List (Delete this paragraph if you do not agree).*
